Autumn 2 2025 – admin@smcps.co.uk

Welcome Back!

I hope you all have had a wonderful halfterm break! This half-term is always a busy one with the lead up to Christmas (it'll be here before we know it!)

We have lots of exciting learning to do together, especially in our new topic lessons, as we focus on the geography around us and our country.

We also are focusing on Spanish and Music this half-term, so please bring your singing voices along with you – gracias!

Miss Alexander

Our PE days are Monday and Friday!

Please make sure we are bringing the correct PE kit.

Settlements and Land Use

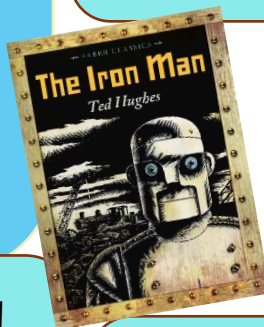

This term, we are GEOGRAPHERS! We will embark on a journey that will help us to understand the physical landscape and surrounding seas and oceans of the UK.

We will explore the countries that make up the United Kingdom and look at the differences and similarities between the landscapes in each of them. We will look at some of the incredible mountains that call our country home and understand how rivers may begin in some of them! Whilst exploring this topic, we will be building up our own knowledge so that we can answer the question, 'What is land like in the UK and how do we use it?'

Our class text

The Iron Man

ClassDojo

Don't forget to check dojo for updates on how we are getting on!

Reading at home with an adult is so beneficial! Please listen to your child read as many times as possible in the week (at least 3 times.) Don't forget to sign their reading record to get entered into the reading wheel!

Spelling tests will be every Friday, and homework is to be handed in by Wednesday.

Please ask your children to practice their times tables with you at home!
