

Phonics

at St Mary's Catholic Primary School

Beyond Read Write Inc.

At St Mary's, we provide our children with not only a reading curriculum that is varied, engaging and challenging, but also nurture them to appreciate the wonderful opportunities and experiences a love of reading can bring. English and reading lessons are based around high-quality texts and extracts, which helps to nourish our children's understanding of the world around them. We believe it is important to provide our children with a variety of rich and engaging text types, that often link to their current topic work, as this will support their journey in developing their imagination and reading comprehension skills.
