

EARLY YEARS NEWSLETTER

Spring 2- 2025- admin@smcps.co.uk

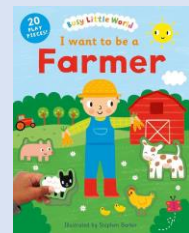

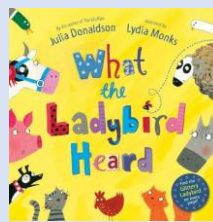

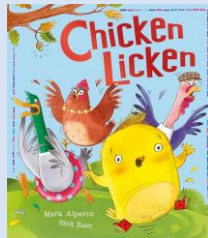

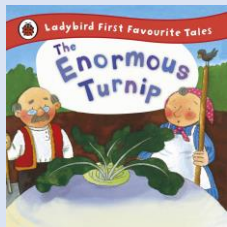

Our new topic this term is... Farm to fork!

This half term we are learning about where our food comes from and the important job farmers do. We have a farm shop available in provision for children to take part in role play, giving them opportunity to develop their speaking and listening skills. We will be finding out information about different animals and their young and looking at the life cycles of animals.

Linking to our topic we will be enjoying various stories including...

Reading

We are developing a quiet reading space outside for the children to enjoy. Here, they can relax with a book and chat quietly with their friends if they choose to do so.

Chicks!

The eggs are arriving in school on Monday the 3rd of March! We are so excited to keep a watchful eye over them and eventually see them hatch! Lots of learning will take place linked to life cycles! Keep updated on class Dojo!

Outdoor Play

We like to get outdoors during all weathers for children to experience the weather first hand. This links to our Understanding the World curriculum.

Please ensure your child has a waterproof coat and wellies for school (with their name in).

Attendance

Regular attendance is directly linked to raising achievement. Please support the school in this by ensuring that your child attends school every day and arrives ready to learn.

Children are expected in class to start learning at 8:55am.
