

YEAR ONE CLASSROOM NEWS

Transport and Travel

Welcome Back!

I hope you all had the most magical Christmas and a lovely start to the New Year. I cannot wait to see you all on 6th January!

I am really looking forward to becoming your teacher, I know we will share so much wonderful learning together and have lots of fun.

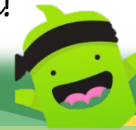

We are starting our time together with a new topic of 'Travel and Transport' which I am sure you will all love!

See you soon,
Miss Cunningham

PE Days
Monday – Mr O'Neil
Thursday – Miss Cunningham
Please bring outdoor and indoor kit wherever possible!

This term we are looking at the different types of transport we can find around the world and how this affects how people choose to travel!

We will look at the history of transport by looking at how people used to travel in the past and how technology has changed the way we travel – we might even explore how we think people might travel in the future!

Don't forget to check Class Dojo for updates and examples of all the wonderful work your children have been doing at school!

Our Class Text

Emma Jane's
Aeroplane

IMPORTANT NOTICES

Listening to your child read at home is so beneficial to supporting their phonics and reading comprehension knowledge. Please listen to your child at least 3 times a week and ask them questions about what they have read.

I will upload phonics videos on Dojo each week, - please share the sound with your child!
