Check out this QR code to help you with Maths at home!

In Maths, we will be starting lessons about time!
Look at the clocks, can you tell the time?

Planet Earth!

In our exciting new topic, all about planet Earth, the children will be able to name and locate the world's seven continents and five oceans.

There are some wonderful opportunities to celebrate the diversity of our Earth where the children will explore different continents through languages, music, food and art!

Check out this QR code for all things Planet Earth!

CLASS DOJO

I will be regularly updating Class Dojo with good news and reminders throughout the term!
