## Ancient Egypt

In Spring 1 we are becoming Historians! In this term, we will have the opportunity to explore the life of Ancient Egyptians and the impact they have had on our current world. We will investigate the mummification process, tombs of pharaohs, ancient relics and hieroglyphics.

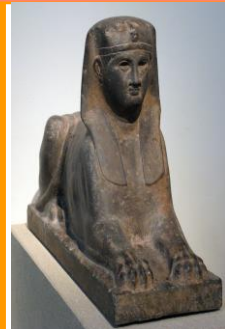

### Project for this Term

As part of our topic work, I would like the children to research an Ancient Egyptian pharaoh and share some key facts with their classmates!

Check out this video on BBC Bitesize!

This video will give you an introduction to Ancient Egypt.

### PE Days

We are fortunate to have two PE sessions a week.

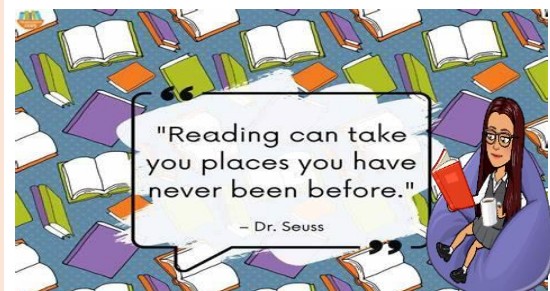

Monday Afternoon – Dodgeball with Mr O'Neil

Friday Afternoon – Basketball With Mr McCay.

### Reading!

Children should be reading three times a week at home!

"Reading can take you places you have never been before."
