Welcome to Y4's Classroom News!

Happy New Year!

Welcome back! What an exciting term we have coming up!

Don't forget to check ClassDojos for updates on what we have been getting up to.

Times Tables

As we move closer to our multiplication check in June, we are going to be continuing our focus on times tables. Please encourage your child to practice their times tables as much as possible. Remember dojos, prizes and certificates up for grabs every time you play TTRS! Who will be a Rock Hero???

Science

We are going to be scientists looking at: Living things and their habitats. This exciting unit will take us on a journey of discovery, understanding animals and their habitats around us, and how changes in their environment can affect them

Reading

This term we will be reading *Asha & the Spirit Bird*. This is a fantastic adventure book which follows Asha on a dangerous journey to find her father, and bring back enough money to save her home and family.

What is the Amazon, why is it important, and should it be protected?

We are going to be Geographers, looking at the Amazon Rainforest. We are going to be looking at the physical and human features of South America as well as looking at how we affect the environment and what we can do in our local area to help!

Get creative

It would be amazing if you could create something at home to add to our Amazon Rainforest! It can be anything!

PE

Our PE days are Monday and Tuesday, please remember to bring the correct kit, including indoor and outdoor kits.

Reading

Reading is so important, please remember to keep reading at home as much as possible - at least 3 times a week! Can you write your own summary?

Homework

Homework and spellings will be handed out on a Friday, due back the following Wednesday.
