

YEAR ONE CLASSROOM NEWS

Beside the Seaside

Welcome Back!

Welcome back every one!
It's our last half-term together before you guys head into Year 2, I can't believe it!

This will be a lovely term together as we explore our new topic, Beside the Seaside! We will do lots of learning in class to prepare you for Year 2, working on our writing, handwriting and numbers to 50. We are also studying Plants as our science topic, this term. We will spend as much time doing outdoor learning in our new Nature Park, so please come to school with a sun hat, suncream and water bottle every day.

PE Days

Monday – Mr O'Neil

Wednesday – Miss

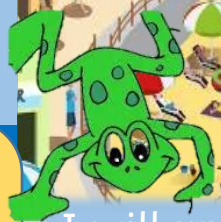

Cunningham

Please bring outdoor and indoor kit wherever possible!

This term we are GEOGRAPHERS, our topic is all about the seaside! We are going to find out about what makes a seaside and where they are in our country. We will explore the difference between human and physical features and spot some for ourselves when we take a trip to Cleethorpes! We will also learn about how important it is to stay safe at the seaside and create some safety tips for us and others to follow!

Our Class Text

The Lighthouse Keeper's Lunch

I will upload phonics videos on Dojo each week, - please share the sound with your child!

Don't forget to check Class Dojo for updates and examples of all the wonderful work your children have been doing at school!

IMPORTANT NOTICES

Listening to your child read at home is so beneficial to supporting their phonics and reading comprehension knowledge. Please listen to your child at least 3 times a week and ask them questions about what they have read.
