

EYFS NEWSLETTER SUMMER 1 2025

admin@smcps.co.uk

Welcome back EYFS! As the weather should be getting warmer, please remember to bring a water bottle to stay hydrated. When the weather is especially warm, please bring a sun hat and apply sun cream to your child before school.
Thankyou!

This half term EYFS will be learning about a jungle/desert habitats and animals! The children will be enjoying rhyming stories, non-fiction, looking at maps, globes and comparing countries.

We will be discussing our favourite books and talking about our local library!

The children will have the opportunity to play in our jungle vets role play area, with our Africa small world resources and express themselves through drawing, paint, dance and dough!

During Maths children will be working on problem solving, subitising (recognising amounts without counting) and comparing height and weight!
