

# YEAR 3 CLASSROOM NEWS

Summer 1 2025 • admin@smcps.co.uk

Welcome back! 

Hello Year 3 children and families! I hope you have all had an amazing Easter break and are looking forward to learning lots of new things! I am really looking forward to my first term at St Mary's and working with you all! I hope you are all excited to get to know me as your new teacher and to learn new things!

## Reading

Children should be reading at least 3 times a week at home. If they read more than three times, then they will be entered into our class prize wheel! You've got to be in it to win it!

## Star of the Week

This is by FAR my favourite part of the week. Celebrating and showing off amazing learning and attitudes! Who knows, it could be you next!

## How are climate zones different around the world?

We are beginning a brand new topic all about exploring what climate is and describing the different climate zones in our local area and around the world!

## Literacy

There are no polar bears left on Bear Island. But one summer night, April meets one. He is starving, lonely and a long way from home. Determined to save him, she begins the most important journey of her life...

In Reading and English we are starting a new book! This book is SO exciting and one of my favourites, I can't wait to get started!

Don't forget to check Class Dojo for updates of how we are getting on! Keep your eyes peeled for our amazing learning!

## Extra Information!

### Get creative!

I would absolutely love it if you could create something at home to add to our Climate Zones display! It could be anything from an illustration or model to a piece of research!

### Homework

Spellings will go out termly, followed by a piece of homework every Friday. Spelling tests will be every Friday and homework is to be returned by Wednesday. Make sure you return your homework books!

### PE

Our PE day's are Monday and Friday!

As the weather is getting warmer, make sure you bring a water bottle and the correct PE kit.
