**SEPTEMBER**

## Hello!

Hello, I can't wait to see you all on Monday 2<sup>nd</sup> of September.

We have lots of exciting topics and new learning to look forward to.

## CLASS DOJO

I will be regularly updating Class Dojo with good news and reminders throughout the term!

## The Great Fire of London!

### When did the Great Fire of London start?

The Great Fire of London started on the 2<sup>nd</sup> September 1666 and lasted just under 5 days! It was a terrible disaster.

### What caused the Great Fire of London?

At 1am on the 2<sup>nd</sup> September, the fire began in a bakery on Pudding Lane. Historians think a spark from the oven may have fallen onto wood for fuel nearby and caught fire!

### Project!

To continue our topic work, we would love the children to create their own Great Fire of London – you could use, cardboard, paint, tissue paper... anything you have around the house!

Here's some examples!

### Spellings

Spellings will go out on Monday – there will be a spelling test on Friday!
