

CLASSROOM NEWS

Welcome Back!

I hope you all have had a wonderful half-term break!

This half-term is always a busy one with the lead up to Christmas (it'll be here before we know it!) We have lots of exciting learning to do together, especially in our new topic lessons, as we focus on the geography around us and our country.

We also are focusing on Spanish and Music this half-term, so please bring your singing voices along with you – gracias!

See you soon,
Miss Cunningham

Settlements and Land Use

This term, we are GEOGRAPHERS!

We will embark on a journey that will help us to understand the physical landscape and surrounding seas and oceans of the UK. We will explore the countries that make up the United Kingdom and look at the differences and similarities between the landscapes in each of them. We will look at some of the incredible mountains that call our country home and understand how rivers may begin in some of them! Whilst exploring this topic, we will be building up our own knowledge so that we can answer the question, 'What is land like in the UK and how do we use it?'

Don't forget to check Class Dojo for updates and examples of all the wonderful work your children have been doing in school and at home!

Our Class Text

The Iron Man

IMPORTANT NOTICES

Reading at home with an adult is so beneficial! Please listen to your child read as many times as possible in the week (at least 3 times.) Their reading record should be signed and returned to school each Friday please.

We have been working so hard on our times tables in Autumn term 1! We are really confident with our 2,3,4 and 5s. Please ask your children to practice their times tables at home with you!

PE Days
Monday – Mr O'Neil
Friday – Miss White
Please bring outdoor and indoor kit wherever possible!
