IN RE, CHILDREN
WILL LEARN TO
LISTEN TO OTHERS,
RESPECT
DIFFERENCES, AND
UNDERSTAND
DIFFERENT BELIEFS
AND CULTURES.

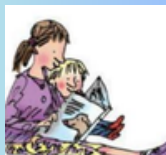

We look forward to seeing
all your wonderful
creations you have made
as part of our design and
tec challenge.

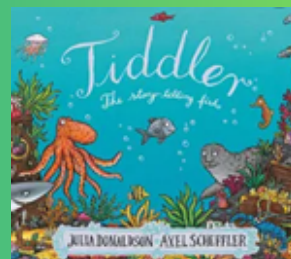

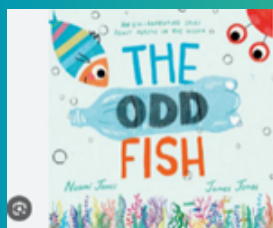

Reading challenge...

Can you read at least 3
times a week at home and
have your reading record
signed?

Under the Sea

In this topic, we will learn about pollution in the environment and how this impacts on creatures in the sea. We will learn about recycling and reusing to help save the planet. We will be learning to compare places around the world and identify similarities and differences to where we live.
