## St Mary's Catholic Primary School

March 2025

Our whole school community is very excited about the project starting soon, on our land, at the bottom of the school field! As you know, there was a poster competition in school to design signs to try and help deter fly-tipping on our land so it is a safe area for our children to use. We had so many entries! We couldn't believe how much effort the children put into their designs, thank you to all children who entered! It was a very difficult decision, so much so that we ended up with four winning posters!

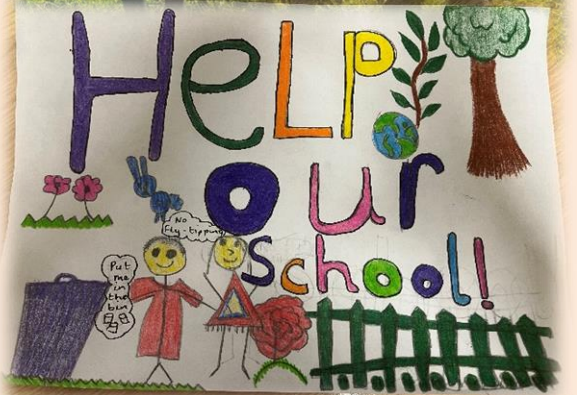

### Poster competition winners!

Timmy & Tommy Adebola and Jacob Padol in Year 5 worked together to create their amazing poster!

Amelia Jaskiemia-Bien,  
Year 2

Philip Wasiak,  
Year 6

Millie Coxon,  
Year 6

Well done to our 6 winners!

These four posters will be printed on to large boards and fitted to the fencing down the side of school to try and help prevent the fly-tipping on our land.

**WATCH THIS SPACE!**

The project work starts after half term with Doncaster Council kindly supporting us by spending the day clearing the land of the fly-tipping.

AWS Landscapes will then start their work turning the space into an area the children can use to explore nature and learn outside!

We will keep you all updated of the progress!

### Dates for your diaries

School finishes for children on Wednesday 2<sup>nd</sup> April, 3:20pm

Thursday 3<sup>rd</sup> and Friday 4<sup>th</sup> April - school closed for staff training

Back to school Monday 14<sup>th</sup> April for Holy Week
